

Map of the study area in northern South America, showing the border region of Colombia, Ecuador, Venezuela, and Peru. The map includes latitude and longitude coordinates (4° 51' 41.06 N, 75° 37' 11.15 W) and labels for the countries: PANAMÁ, ECUADOR, COLOMBIA, VENEZUELA, PERU, and BRASIL. A specific location is marked with a dot and labeled 'Risadulón'.

A map of Argentina with the province of Entre Ríos highlighted in dark green. The rest of the country is shown in light green. The map includes the Rio de la Plata to the east and the Uruguay River to the north.

This is a detailed black and white topographic map of a city, likely San Francisco, showing a dense grid of streets, numerous buildings, and a river winding through the landscape. The map includes contour lines indicating elevation and a compass rose in the upper left corner. The city is characterized by a dense grid of streets and numerous buildings, with a river winding through the landscape. The map is oriented with North at the top, as indicated by the compass rose. The river, which appears to be the San Francisco River, flows from the top right towards the bottom left. The map shows a variety of urban features, including residential areas, commercial districts, and public spaces. The contour lines are closely spaced in some areas, indicating steep slopes, while they are more widely spaced in others, indicating flatter terrain. The map is a high-resolution, detailed representation of the city's geography and urban layout.

OBJETO:	consultoria integral para los diseños arquitectónicos, urbanísticos y de ingeniería definitivos del Sendero Peatonal Tipo, primera etapa Porter-Electra, IB Facultad de Ingeniería y Construcción, "Aqui construimos futuro"
